WE'RE READY TO BEGIN PAVEMENT RESTORATION WORK IN YOUR AREA

NEW JERSEY AMERICAN WATER

Here's what's happening at a glance:

- **COMMUNITY** Chatham Township

- **STREET(S) WE'LL BE PAVING**

  SPRING STREET & WEXFORD ROAD

  Milling operations will begin at 7:00am with paving operations following late morning/early afternoon. To allow for this construction to occur, we kindly ask that you temporarily remove any parked vehicles from the roadway before work starts. Vehicular access to your residents will be maintained during this work, however we ask that you use caution when entering and exiting the neighborhood, as there will be trucks and equipment in the roadway. Please follow directions from the construction crew and police officers.

  To provide the best possible finished surface, we ask that residents not drive on freshly paved asphlat until the work area is re-opened by the crew. We apologize for any inconvenience that the construction operations will cause and are grateful for your assistance allowing the paving operations to be completed safely.

- **WORK DAYS/HOURS**

  Weather dependent, work is scheduled for the following days:

  Spring Street -Wednesday, December 2nd - Milling/Paving (7am-4pm)

  Wexford Road - Thursday, December 3nd - Milling/Paving (7am-4pm)

- **CONTRACTOR** Montana Co / Carroccia Paving

- **QUESTIONS?**
  Montana Co - (201) 250-3488

Thanks for your patience while we completed this important improvement project.

The project represents a critical investment for the company in support of our commitment to provide customers with safe, reliable water service.
