

TOWNSHIP OF CHATHAM
MORRIS COUNTY, NEW JERSEY
2023 ROAD RESURFACING - TENTATIVE SCHEDULE
Updated: 7/31/2023

Chatham Township will be paving roads in the near future. Below is a tentative schedule for milling and paving.

The project schedule is subject to changes due to weather or other unforeseen construction issues. Please review posted information on the Township website (www.chathamtownship-nj.gov) for updates regarding the paving schedule.

STREET NAME	Milling Approx. Date	Paving Approx. Date
School Avenue	COMPLETE	Monday August 7, 2023
Floral Street	COMPLETE	Monday August 7, 2023
Maple Street	COMPLETE	Monday Aug 7th - Tuesday August 8, 2023
Thornley Drive	COMPLETE	Tuesday August 8, 2023

All vehicles must be removed from the road on days of milling and paving. You will have access to your driveway during road milling, though temporary delays will occur while the road is being milled in front of your property.

If you need to use your vehicle on the paving dates you will have to move your car to another location prior to 7 AM, and walk to your car. Please note that the newly paved road will not be able to be driven upon until cones are removed from the end of the road by authorized personnel.

If you have questions regarding this project, please do not hesitate to contact Samantha Anello at 908-238-5032 or John Ruschke at 908-238-5000.

Thank you for your patience and cooperation!
