

**Chatham Township Environmental Commission
Meeting Agenda**

Wednesday June 5, 2024, 7:15pm

58 Meyersville Rd. Chatham NJ 07928 in the Senior Center, lower level

OPEN PUBLIC MEETING STATEMENT: The meeting schedule for 2024 and January 2025 is posted on the main bulletin board at the Township municipal building, in two newspapers and on the Chatham Township Environmental Commission website at <https://www.chathamtownship-nj.gov/environmental>. The public is cordially invited to attend all meetings, join the discussions and participate in projects.

CTEC'S PURPOSE: To undertake projects and make recommendations concerning the protection or use of natural resources, including water resources and air quality, located within or directly affecting Chatham Township.

The Chatham Township Environmental Commission's goal is to provide a responsible environmental viewpoint to Township committees and boards and to undertake projects with a strong educational component in order to inform officials and residents about constructive actions that can be taken to preserve the environment.

DATES FOR CTEC AND GREEN TEAM FOR 2024 AND JANUARY 2025 –

The first Wednesday except the second Wednesday in January April and July 2024:

January 10, February 7, March 6, April 10, May 1, June 5, July 10, August NO MEETING, September 4, October 2, November 13, December 4, 2024; January 8, 2025.

AGENDA ITEMS:

1. Roll Call of CTEC Members: Jessica Romeo (Chair), Cara Pacifico Feeser, Amy Mason, Jim Connelly, Celeste Fondaco, Lisa McHugh, Dan Miller (Planning Board), Pat Wells (alternate 1); John von Knorring (alternate 2); Mary McHugh (Township Committee liaison)
2. Public Meeting Statement (see above)
3. Approve Meeting Minutes of May 1, 2024
4. Green Team updates – Activities that CTEC manages are all part of the Green Team: clean ups, gardens, plant sales, educational webinars/meetings, etc. Silver Certification received October 2021. We are up for recertification in 2024. 2024 application dates to focus on: February 25, May 10 and July 31.
2024 Sustainable Jersey team members: Jessica Romeo and alternate commissioner: Pat Wells.
-The subcommittee has identified areas where we do a lot but don't capture SJ point (eg: Art in the community).
-Second submission was sent to SJ on 5/10/24 application deadline.
-Discuss our priorities as related to Sustainable Jersey given our limited resources on the Green Team and EC.
-CTEC has started our monthly press campaign: March was about leaf blowers; April is about idling. We launched Adopt-a-drain for March 2024; CTEC has worked with DPW to provide some wonderful educational materials to the K-3 schools in the SDOC around recycling and waste. The anti-idling campaign will again be promoted at CHS and CTEC has written an editorial for local papers. We did not do a May editorial. Need a topic for June.
-CTEC kicked off a Chatham Challenge in April 2024, challenging residents to pick up trash on a walk or while visiting a park, adopt a drain, utilize native plants in their landscaping projects.
-June 1, CTEC marked National Trails Day with a social media campaign to highlight our trails and encourage residents to get outside and enjoy the open space in the Township.

5. Native Plant Ordinance DRAFT tentatively on the Township Committee Workshop agenda for 5/7/24.
6. Chatham Township Tree permitting process and tree replacement discussion. 7. Adopt a drain program [info found here](#) is live / need to engage the community and encourage participation.
8. Fishawack Festival, confirm plans and presentations.
9. Shunpike Restoration Project – CTEC has been approved for an ANJEC Grant and a grant from the Chatham Jaycees for educational signs for this project and our native plant gardens.
10. NRI update. (Subcommittee Lisa, John, Jessica).
 - Step 1: subcommittee re-read the NRI and note any questions, observations, etc
 - Step 2: note the top **5-10** areas to do a deep dive and revise (eg: development, mapping, sewer treatment plant) and adjust the rest of the NRI as needed
 - Step 3: identify any possible grants to assist in aspects of the NRI such as mapping and technical work
 - Step 4: follow up with Drew University to engage students
 - Step 5: divide up the sections in need of updating
