- Coming up: PBA-22-002 FRANK FRANCESE, 580 RIVER ROAD, BLOCK: 62 LOT: 56. Requesting minor subdivision. (Received 1/20/22) Escrow: 34641. We should keep an eye on this for steep slopes, disruption to wildlife corridor, etc. See what is being proposed.
- Ongoing.
- When the two affordable housing lots on River Road begin to be developed CTEC will send another memo to the boards involved urging conservation easements on the upper slopes and on a wildlife corridor extending down to the road.
- Suggest that there is an opportunity now to establish a conservation zone along all the slopes on River Road.
- Frank Banisch, Township Planner, endorses the idea of a preserved Greenway along the slopes.
- Discussion. The role of the EC. The NJDEP and the Township Engineer have assumed many of the environmental oversight activities that used to be mainly the responsibility of the EC and non-profit environmental groups.
