- (b) Restricted Units and market-rate units within the same affordable development must be sited such that restricted units are not concentrated in less desirable locations.
- (c) Restricted Units may not be physically clustered so as to segregate restricted and market-rate units within the same development or within the same building, but must be interspersed throughout the development, except that age-restricted and supportive housing units may be physically clustered if the clustering facilitates the provision of on-site medical services or on-site social services. Prior round Affordable Units shall be integrated with market rate units to the extent feasible.
- (d) Residents of restricted units must be offered the same rights to use communal amenities as residents of market-rate units within the same affordable development. Examples of communal amenities include, but are not limited to, community pools, fitness and recreation centers, playgrounds, common rooms and outdoor spaces, and building entrances and exits.

Prior Round Units shall be integrated with market rate units to the extent feasible.
  - (c) Restricted Units may be of different unit housing product types than market-rate units, provided there is a restricted option available for each market rate housing type. Developments containing market-rate duplexes, townhomes, and/or single-family homes shall offer restricted housing options that also include duplexes, townhomes, and/or single-family homes. Penthouses and higher-priced end townhouses shall be exempt from this requirement.
  - (d) Restricted Units must meet the minimum square footage required for the number of inhabitants for which the Restricted Unit is marketed and the minimum square footage required for each bedroom, as set forth in the Neighborhood Preservation Balanced Housing Rules at N.J.A.C. 5:43-2.4.

  - (f) Residents of restricted units must be offered the same access to communal amenities as residents of market-rate units within the same Affordable Housing Development. Examples of communal amenities include, but are not limited to, community pools, fitness and recreation centers, playgrounds, common rooms, and outdoor spaces, and building entrances and exits. This shall apply to Prior Round Units.

The very low-income units shall be distributed between each bedroom count as proportionally as possible, to the nearest whole unit, to the total number of restricted units within each bedroom count and counted as part of the required number of low-income units within the development.

- D. Affordable Housing Developments which are not age-restricted or supportive housing shall be structured such that:
- (1) At a minimum, the number of bedrooms within the restricted units equals twice the number of restricted units;
  - (2) Two-bedroom and/or three-bedroom units compose at least 50 percent of all restricted units;
  - (3) The combined number of efficiency and one-bedroom units shall be no greater than 20%, rounded down, of the total number of low- and moderate-income units.

  - (5) At least 20% of all low- and moderate-income units, rounded up shall be three-bedroom units.
  - (6) The remaining units may be allocated among two- and three- bedroom units at the discretion of the developer.

- (9) The developer of the Restricted Units shall submit to the Construction Official a design plan and cost estimate for the conversion from adaptable to accessible entrances.

- (11) Full compliance with the foregoing provisions shall not be required where an entity can demonstrate that it is “site-impracticable” to meet the requirements. If full compliance with this section would be site impracticable, compliance with this section for any portion of the dwelling shall be required to the extent that it is not site impracticable. Determinations of site impracticability shall comply with the Barrier Free Subcode at N.J.A.C. 5:23-7.

**§29 -9 Regional Income Limits.**

- A. Administrative Agents shall use the regional income limits most recently established by the DCA for the purpose of pricing Affordable Units and determining income eligibility of households.

**§29 -13 Occupancy Standards.**

- A. In referring Certified Households to specific Restricted Units, to the extent feasible, and without causing an undue delay in occupying the unit, the Administrative Agent shall strive to:

  - (2) Provide a bedroom for every two adult occupants;
  - (3) With regard to occupants under the age of 18, accommodate the household’s requested arrangement, except that such arrangement may not result in more than two occupants under the age of 18 occupying any bedroom; and

**§29 -14 Control Periods for Restricted Ownership Units and Enforcement Mechanisms.**

- A. - E. After the end of any control period, the restricted ownership unit remains subject to the affordability controls set forth in this subchapter until the owner gives notice of their intent to make an exit sale, at which point:
  - (1) If the Township exercises the right to extend the affordability controls on the unit, no exit sale occurs and a new control period commences; or
  - (2) If the Township does not exercise the right to extend the affordability controls on the unit, the affordability controls terminate following the exit sale.
- F. Prior to the issuance of any building permit for the construction/rehabilitation of restricted ownership units, the developer/owner and the Township shall record a preliminary instrument provided by the Administrative Agent.
- G. Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the Administrative Agent shall determine the restricted price for the unit and shall also determine the nonrestricted, fair market value of the unit based on either an appraisal or the unit's Equalized Assessed Value without the restrictions in place.
- H. At the time of the initial sale of the unit and upon each successive price-restricted sale, the initial purchaser shall execute and deliver to the Administrative Agent a recapture note obliging the purchaser, as well as the purchaser's heirs, successors, and assigns, to repay, upon the first Non-exempt Sale after the unit's release from the restrictions set forth in this Ordinance, an amount equal to the difference between the unit's non-restricted fair market value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.
- I. The affordability controls set forth in this Ordinance shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to price-restricted ownership units.

**§29 -15 Price Restrictions for Restricted Ownership Units and Resale Prices.**

- A. Price restrictions for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.7.
  - (1) The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of anticipated capital improvements. Eligible capital improvements shall be:
    - (a) those that render the unit suitable for a larger household or the addition of a bathroom.
  - (2) The maximum resale price may be further increased by an amount up to the cumulative dollar value of approved capital improvements made after the last Non-exempt Sale for improvements and/or upgrades to the unit, excluding capital improvements paid for by the entity favored on the recapture note and recapture lien described at N.J.A.C. 5:80-26.6(d);
  - (3) No increase for capital improvements is permitted if the maximum resale price prior to adjusting for capital improvements already exceeds whatever initial purchase price the unit would have if it were being offered for purchase for the first time at the initial affordability percentage. All adjustments for capital improvements are subject to 10-year, straight-line depreciation.
  - (4) Upon the resale of a restricted ownership unit, all items of property which are permanently affixed to the Affordable Unit or were included when the Affordable Unit was initially restricted (for example, refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase but shall be separate and apart from any contract of sale for the underlying

real estate. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price of the air conditioning equipment, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The seller and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

**§29 -16 Buyer Income Eligibility.**

- A. Buyer income eligibility for restricted ownership units shall be established pursuant to N.J.A.C. 5:80-26.17, as may be amended and supplemented.
- B. Notwithstanding the foregoing, the Administrative Agent may, upon approval by the Township, and subject to the Division's approval, permit a moderate-income purchaser to buy a low-income unit if and only if the Administrative Agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the Housing Region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low-income purchaser, including pricing and financing incentives, have failed. Any such Low-income Unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit. Similarly, the Administrative Agent may permit low-income purchasers to buy very-low-income units in housing markets where, as determined by the Division, Affordable Units are reserved for very-low-income purchasers, but there is an insufficient number of very-low-income purchasers to permit prompt occupancy of the Affordable Units. In such instances, the purchased unit must be maintained as a very-low-income unit and sold at a very-low-income price point such that on the next resale the unit will still be affordable to Very Low-income Households and able to be purchased by a very-Low-income Household.
- C. A Certified Household which purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.

- B. After providing written notice of a violation to an owner, developer, or tenant of an Affordable Unit and advising the owner, developer, or tenant of the penalties for such violations, the Township may take the following action against the owner, developer, or tenant for any violation which remains uncured for a period of sixty (60) days after service of the written notice:
- (1) The Township may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the Affordable Unit. If the owner, developer, or tenant is found by a court of competent jurisdiction to have violated any provision of the regulations governing Affordable Units, the owner, developer, and/or tenant shall be subject to one or more of the following penalties, at the discretion of the Court:
    - (a) A fine of not more than \$500 or imprisonment for a period not to exceed ninety (90) days, or both, unless otherwise specified below, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
    - (b) In the case of an owner who has rented his or her Affordable Unit in violation of the regulations governing Affordable Units, payment into the Affordable Housing Trust Fund of the gross amount of rent illegally collected;
    - (c) In the case of an owner who has rented its Affordable Unit in violation of the regulations governing Affordable Units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.
- C. The Township shall have the authority to levy fines against the owner of the development for instances of noncompliance with New Jersey Housing Resource Center advertising requirements, N.J.S.A. 52:27D-321.6.e.(2), following written notice to the owner. The fine for the first offense of noncompliance shall be \$5,000, the fine for the second offense of noncompliance shall be \$10,000, and the fine for each subsequent offense of noncompliance shall be \$15,000.
- D. The Township may file a court action in the Superior Court seeking a judgment, which would result in the termination of the owner's equity or other interest in the Affordable Unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the first purchase money mortgage and shall constitute a lien against the low- or moderate-income unit.
- (1) Such judgment shall be enforceable, at the option of the Township, by means of an execution sale by the Sheriff, at which time the affordable unit of the violating owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any first purchase money mortgage and prior liens and the costs of the enforcement proceedings incurred by the Township, including attorney's fees. The violating owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
  - (2) The proceeds of the Sheriff's sale shall first be applied to satisfy the first purchase money mortgage lien and any prior liens upon the low- or moderate-income unit. The excess, if any, shall be applied to reimburse the Township for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the Township in full as aforesaid, the violating owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the Township in connection with collecting such deficiency. In the event a surplus remains after satisfying all of the above, such surplus shall be placed in escrow by the Township for the owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the owner shall make a claim with the Township for such. Failure of the owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the Township. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the Township, whether such balance shall be paid to the owner or forfeited to the Township.
  - (3) Foreclosure due to violation of the regulations governing Affordable Units shall not extinguish the restrictions of the regulations governing Affordable Units as they apply to the very-low, low-, and moderate-income units. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the Affordable Unit. The owner

determined to be in violation of the provisions of this Ordinance or any applicable regulation and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.

- (4) If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the first purchase money mortgage and any prior liens, the Township may acquire title to the Affordable Unit by satisfying the first purchase money mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the first purchase money mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the Affordable Unit could have been sold under the terms of the regulations governing Affordable Units. This excess shall be treated in the same manner as the excess would have been realized from an actual sale as previously described.
  - (5) Failure of the very-low, low-, or moderate-income unit to be either sold at the Sheriff's sale or acquired by the Township shall obligate the owner to accept an offer to purchase from any qualified purchaser that may be referred to the owner by the Township, with such offer to purchase being equal to the maximum resale price of the very-low, low-, or moderate-income unit as permitted by the regulations governing Affordable Units.
  - (6) The Affordable Unit owner shall remain fully obligated, responsible, and liable for complying with the terms and restrictions of governing Affordable Units until such time as title is conveyed from the owner.
- E. It is the responsibility of the Municipal Housing Liaison and the Administrative Agent to ensure Affordable Units are administered properly. All Affordable Units must be occupied within a reasonable amount of time and be re-leased within a reasonable amount of time upon the vacating of the Affordable Unit by a tenant. If the Administrative Agent or Municipal Housing Liaison becomes aware of or suspects that a developer, landlord, or property manager has not complied with these regulations, it shall report this activity to the Division. The Division must notify the developer, landlord, or property manager, in writing, of any violation of these regulations and provide a 30-day cure period. If, after the 30-day cure period, the developer, landlord, or property manager remains in violation of any terms of this subchapter, including by keeping a unit vacant, the developer, landlord, or property manager may be fined up to the amount required to construct a comparable affordable unit of the same size and the deed-restricted control period will be extended for the length of the time the unit was out of compliance, in addition to the remedies provided for in this section. For the purposes of this subsection, a reasonable amount of time shall presumptively be 60 days, unless a longer period of time is required due to demonstrable market conditions and/or failure of the municipal housing liaison or the administrative agent to refer a certified tenant.
- F. Banks and other lending institutions are prohibited from issuing any loan secured by owner occupied real property subject to the affordability controls set forth in this subchapter if such loan would be in excess of amounts permitted by the restriction documents recorded in the deed or mortgage book in the county in which the property is located. Any loan issued in violation of this subsection is void as against public policy.
- G. The Agency and the Department hereby reserve, for themselves and for each administrative agent appointed pursuant to this subchapter, all of the rights and remedies available at law and in equity for the enforcement of this subchapter, including, but not limited to, fines, evictions, and foreclosures as approved by a County-level Housing Judge.

#### **§29 -25 Appeals**

- A. Appeals from all decisions of an Administrative Agent appointed pursuant to this subchapter must be filed, in writing, with the Municipal Housing Liaison. A decision by the Municipal Housing Liaison may be appealed to the Division. A written decision of the Division Director upholding, modifying, or reversing an Administrative Agent's decision is a final administrative action.

#### **§29 -26 Development Fees.**

A. Purpose

- (1) This section establishes standards for the collection, maintenance, and expenditure of development fees that are consistent with the FHA, N.J.A.C. 5:99, and the Statewide Non-Residential Development Fee Act, N.J.S.A. 40:55D-8.1 to -8.7. Fees collected pursuant to this Ordinance shall be used for the sole purpose of providing very low-, low- and moderate-income housing in accordance with a Court-approved Spending Plan.

B. Basic Requirements

- (1) The Township previously adopted a Development Fee Ordinance, which established the Municipal Affordable Housing Trust Fund.

- (2) The Township shall not spend Development Fees until the Superior Court has approved a plan for spending such fees.

C. Residential Development Fees

(1) Imposed fees

- (a) Residential developers, except for developers of the types of development specifically exempted below, shall pay a fee of 1.5% of the Equalized Assessed Value for residential development, provided no increased density is permitted. Development Fees shall also be imposed and collected when an additional dwelling unit is added to an existing residential structure; in such cases, the fee shall be calculated based on the increase in the equalized assessed value of the property due to the additional dwelling unit.
- (b) When an increase in residential density pursuant to N.J.S.A. 40:55D-70D(5) (known as a “d” variance) has been permitted, developers may be required to pay a development fee of 6% of the equalized assessed value for each additional unit in excess of applicable ordinance standards that may be realized. However, if the zoning on a site has changed during the two-year period immediately preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

Example: If an approval allows four units to be constructed on a site that was zoned for two units, the fees could equal 1% of the equalized assessed value on the first two units; and the specified higher percentage up to 6% of the equalized assessed value for the two additional units, provided zoning on the site has not changed during the two-year period preceding the filing of such a variance application.

(2) Eligible exactions, ineligible exactions and exemptions for residential development

- (a) Affordable housing developments and developments where the developer is providing for the construction of affordable units elsewhere in the Township, if permitted by ordinance or by agreement with the Township of Chatham, shall be exempt from development fees.
- (b) Developments that have received preliminary or final site plan approval prior to the adoption of the first development fee ordinance shall be exempt from development fees, unless the developer seeks a substantial change in the approval. Where a site plan approval is not applicable, the issuance of a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for the purpose of determining the right to exemption. In all cases, the applicable fee percentage shall be determined based upon the Development Fee Ordinance in effect on the date that building permit is issued.
- (c) In addition to the construction of new principal buildings, development fees shall be imposed and collected when an existing structure is demolished and replaced, or is expanded, if the expansion is not otherwise exempt from the development fee requirement. The development fee shall be calculated on the increase in the equalized assessed value of the new structure. Furthermore:
  - (i) No development fee shall be collected for a demolition and replacement of an owner-occupied residential building resulting from a natural disaster.
  - (ii) No development fee shall be collected for the construction of an "accessory structure.
  - (iii) Alterations to existing detached single-family dwellings are exempt from the payment of a development fee.
  - (iv) Alterations to existing detached two-family dwellings are exempt from the payment of a development fee.
- (d) Nonprofit organizations which have received tax-exempt status pursuant to Section 501(c)(3) of the Internal Revenue Code, providing current evidence of that status is submitted to the Municipal Clerk, together with a certification that services of the organization are provided at reduced rates to those who establish an inability to pay existing charges, shall be exempted from paying a development fee.
- (e) Federal, state, county, and local governments shall be exempted from paying a development fee

D. Non-Residential Development Fees

(1) Imposition of fees

- (a) Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted, shall pay a fee equal to 2.5% of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots.
  - (b) Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted, shall also pay a fee equal to 2.5% of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.
  - (c) Development Fees shall be imposed and collected when an existing residential structure undergoes a change to a more intense use, including but not limited to an increase in the number of bedrooms; an increase in livable space (including, by way of example, the conversion of previously non-habitable space such as a basement, attic, or garage to habitable/livable space); an increase in gross floor area or square footage; when an additional dwelling unit is added to an existing residential structure; when an existing structure is demolished and replaced; or when an existing structure is expanded (unless otherwise exempt from the development fee requirement). The Development Fee shall be calculated on the increase in the Equalized Assessed Value of the improved structure attributable to the change, addition, replacement, or expansion.
- (2) Eligible exactions, ineligible exactions and exemptions for non-residential development
